

Series25[®]

On-Site Training and Consulting

We're pleased to offer comprehensive, professional, on-site consulting services to our Series25[®] scheduling customers.

In-person support to get you up and running fast

Let our expert consultants/trainers help you experience a smooth and successful implementation. Our on-site services are tailored to ensure your Series25 implementation fits your unique needs, and your team is thoroughly prepared to keep things running.

Additional on-site consulting whenever you need it

On-site consulting is also available for retraining or learning about additional product functionality. Our "Train-the-Trainer" instruction model includes content and training materials, empowering your team to train additional users.

On-site consulting services include:

- Implementation and Admin Training
- Introduction to 25Live Report Customization
- Database Expansion
- Functional Administration Retraining
- Academic Cycle in LYNX
- Using X25 Analytics
- Series25 Analytics
- Custom Consulting
- Coming Soon: Implementing Series25 Security
